INTERNET SERVICE INITIAL INSTALLATION COSTS

High Speed Internet: \$80 (First Months Payment)

Modem Rental: \$9.95 (First Months Rental)

If you choose to rent your CPE modem the modem will remain the property of Alaska Wireless Internet for three years from the date you sign up for service. If you terminate your contract with Alaska Wireless Internet within that 3 year period the modem must be returned to Alaska Wireless Internet in good condition and in its original packaging.

After three years of service you will no longer be charged the \$9.95 per month and you will own the CPE modem. Rental is not available for external mount CPE modems.

Modem Purchase: \$350

If you choose to purchase your CPE modem you will not be required to return the CPE modem upon termination of service.

Basic Installation: \$30

The basic installation fee consists of setting up your account in our office computer and you will need to pick-up the CPE modem and manual from our Dutch Harbor office and follow the step-by step installation instructions.

Premium Installation: \$80

The premium installation fee consists of setting up your account in our office computer, delivery and set-up of a CPE modem, installation of an Ethernet card supplied by you, and the configuration of your Internet browser and E-mail account.
